The Ethics Of War And Peace An Introduction To Legal And Moral - Ethics or moral philosophy is a branch of philosophy that involves systematizing, defending, and recommending concepts of right and wrong conduct. The field of ethics ...Just War Theory. Just war theory deals with the justification of how and why wars are fought. The justification can be either theoretical or historical. Buddhist ethics are traditionally based on what Buddhists view as the enlightened perspective of the Buddha, or other enlightened beings such as Bodhisattvas. Ethics, also called moral philosophy, the discipline concerned with what is morally good and bad, right and wrong. The term is also applied to any system or theory of ...
